

Chelmsford Spiritual Society Healing

Every Tuesday Evening 5.30pm - 7.00pm

What is Healing?

Healing is complementary to orthodox medicine, the linking of natural healing power to divine energy flow, governed by the natural law of cause and effect and for this reason a healer cannot guarantee any cure. The aim of healing is to bring into harmony body, mind and spirit.

Essex Healers Association Training

Essex Healers Association was formed in 1948 by John Britnell, it holds the proud distinction of being the oldest healing association in the UK dedicated to the training and advancement of hands on healing to a professional standard. Probationary healers are required to regularly attend training for 1 year, work with the training manual and code of conduct before assessment.
